CHAPTER 2: BACKGROUND

CHAPTER 2: BACKGROUND

2.1 Preamble to Formation of ICL BALANCED FUND

Open-end unit fund is the most popular investment vehicle among individual and institutional investors worldwide, by investing in such funds, investors can avail professional investment management services. The fund managers thoroughly analyze economy, industries and companies to handpick the best stocks and build diversified portfolios. For anyone willing to invest in the capital market, but lacks time or expertise, investing through such vehicles is regarded globally to be the most prudent option. Therefore, considering the effectiveness and popularity of open-end unit fund globally, Impress Capital Limited with its own sponsorship took the initiative to launch this Fund. We intend to contribute to the development of the capital market by offering investors an efficiently managed fund on which they can rely upon. The parties to the Fund are: Impress Capital Limited as the Asset Manager and Sponsor, Bangladesh General Insurance Company Limited as the Trustee and BRAC Bank Limited as the Custodian of the Fund.

2.2 The Capital Market

Capital market in Bangladesh has gone through turbulent times since the 2010 stock market crash. However, that led to a significant positive movement in regulatory activities. Since 2013 onward, our market has seen various positive initiatives. To list a few: Demutualization scheme of both bourses (DSE & CSE), formulated capital financing rules for venture capital & private equity, New public issue rules made book-building method mandatory for charging premiums etc. While such development is taking place in the capital market, in such vibrant time Impress Capital Limited has decided to launch a fund to give general investors access to various investment opportunities.

2.3 Advantages of Investing in ICL BALANCED FUND

Following are the advantages the investors of ICL BALANCED FUND will enjoy:

- I. **Investment Driven by Thorough Research:** Impress Capital Limited has a dedicated team that continuously analyzes local & global economic activities, conducts sector analysis, based on economic and sector outlook, deeply undervalued fundamentally sound companies with optimistic future outlook are identified.
- II. **Diversification:** After identifying lucrative set of companies, we create a diversified portfolio of such stocks. Diversify across the sector and companies within. Hence, the end result of thorough research and a diversified portfolio is likely to be on offer for the investors. On an individual level, thorough research and building an efficiently diversified portfolio may not be possible, but through investment in such funds with a minimal amount and no effort, one can enjoy the benefits of professional investment management.
- III. **Less Emotional Stress:** Managing investment portfolio with volatile assets like listed equities can take a psychological strain for individuals. Hence, relying on professional management is likely to be stress reliever. Professionally managed funds invest with a very long term horizon in mind (3-5 Years at least), hence daily movement in price of stocks are not considered to be

significant as long as companies invested in are fundamentally sound with optimistic future outlook.

- IV. **Increased IPO Quota:** Initial Public Offering (IPO) in Bangladesh has historically performed very well. According to the recently issued public issue rules Mutual funds enjoy a quota of 10% on all sorts of public issue.
- V. **Tax Benefit:** Investment in the Fund would qualify for investment tax credit under section 44(2) of the Income Tax Ordinance 1984.
- VI. **Trading at Close to NAV:** Price of the Units of the Fund will not be determined by demand and supply, rather by Net Asset Value (NAV).
- VII. **Flexibility in Investment:** In an open-end unit fund, investors have the full discretion to invest and withdraw funds as and when deemed appropriate. So, an investor may invest a lump sum at one period and withdraw the funds after a certain interval (e.g. 3-5 Years). At the same time, other investors can choose to invest small amounts on a monthly/quarterly basis just like DPS scheme, and later withdraw a bigger sum. All in all, such open-end funds give individuals' complete flexibility to structure their investment, repurchase and withdrawal plan based on their own need.
- VIII. **Transparent Operation & Extensive Disclosures:** Formation, management and operation of ICL BALANCED FUND adheres: সিকিউরিটিজ ও এক্সচেঞ্জ কমিশন (সিউচিআল ফান্ড) বিধিমালা, 2001 and are monitored by the BSEC and the Trustee. The Fund will disclose relevant information to the Trustee, BSEC and the public as prescribed in the সিকিউরিটিজ ও এক্সচেঞ্জ কমিশন (সিউচিআল ফান্ড) বিধিমালা, 2001.
